Object: Patronnage of the X<sup>th</sup> rural health hybrid forum of EURIPA

On behalf of all the EURIPA's committees (organising, scientific and International advisory) I express my gratitude to Medical Science Pulse for his support and Patronnage, of our X<sup>th</sup> Rural Health-forum.

The scientific committee made a huge work to insure quality of the abstracts. EURIPA Polska made huge work also to host the Face to face meeting and the virtual part.

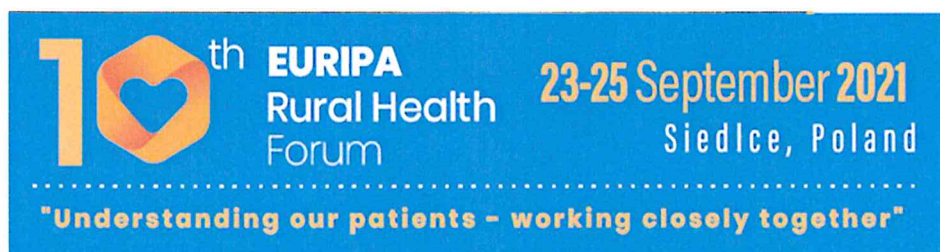

The Digital Object Identifier, will help us, to inhance our research and communication.

Yours sincerly,

Jean Pierre Jacquet

President of EURIPA
